

CARLOS DAVID DIEZ

I'm engineer in ceramic since 1991.

I've worked in different companies related to ceramic sector: in production lines and lab, but since 1994 I'm working in chemical companies specialized in products for ceramic sector.

I've been invited during several years to teach the additives module in university ceramic master's degree.

PUBLICATIONS

- a) Magazine "Ceramica y vidrio". Title: "*Printing media Kera-Eco for ceramic decoration.*"
May 2013
- b) Qualicer 2010. "*Printing media for ceramic decoration with low environment impact.*"
- c) Magazine "Ceramica y vidrio". Title: "*Precursor compound of the metallic effect for use in inkjet inks (Na₂O-Fe₂O₃-P₂O₅ System)*" May 2018
